FAQ

What is Pay.gov?

Pay.gov is a web-based application allowing you to fill out and submit forms online as well as make online payments to government agencies by credit card or by debit from your checking or savings account.

Do all government agencies use Pay.gov?

No, not at this time. A list of the current agencies can be found on our [Press / Articles](#) page.

How do I access Pay.gov?

Our web address is <https://www.pay.gov>. You will have the best experience with our site if you use Internet Explorer 6 or higher on the Windows operating system. See [What web browsers can I use to access Pay.gov?](#) for a complete list of browsers that may be used with Pay.gov.

What web browsers can I use to access Pay.gov?

Pay.gov may be accessed from any computer capable of accessing the Internet using a web browser. Windows users may use Internet Explorer 6 or higher (all Pay.gov pages, forms, bills, and reports), Mozilla 1.4 and 1.75 (end-user pages, forms, and bills), or Firefox 1.5 or higher (end-user pages, forms, and bills). Mac OS X users may use Safari 1.2 or higher (end-user pages, forms, and bills). Other operating systems or browsers may be used to access Pay.gov, but such use is untested and unsupported at this time.

IMPORTANT

- Do not make a payment on your account if you are already in collections, you must contact the collections company directly to make payment arrangements.
- If your account is past due please contact our office prior to making a payment.
- Making your payment on time is your responsibility and if the Pay.Gov site is down you must contact our office to make a payment.
- If you do not remember your account number please contact our office at 760-380-6450.
